

Camera::setPhi

```
graph LR; A[Camera::setPhi] --> B[Camera::phi]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text "Camera::setPhi". A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "Camera::phi". Both boxes have a black border.

Camera::phi
